

Downtown Melbourne Parking Management Public Workshop

CITY OF MELBOURNE CITY HALL COUNCIL CHAMBER

Wednesday, August 31, 2022

8:00 a.m. or 5:00 p.m.

Downtown Melbourne Property Owners and Business Owners are invited to participate in one of two hosted public workshops on August 31, 2022 at 8:00 a.m. and 5:00 p.m., to discuss parking management challenges.

The Downtown Melbourne CRA has secured consulting services from Walker Consultants in consideration of the implementation of parking management in Downtown Melbourne. Walker Consultants specialize in parking management services related to planning studies, management technologies, construction & maintenance, and financial feasibility.

Melbourne Main Street and the City of Melbourne are collaborating in these efforts and the first steps is to engage our Downtown Melbourne Stakeholders with a public workshop. The focus of the workshop is to provide a universal understanding of parking management used in similar-sized cities within Florida and in other states, with a preliminary analysis of Downtown Melbourne.

Melbourne Main Street and the City of Melbourne view the participation of Downtown Melbourne Business and Property Owners as a vital to these discussions.

Just choose the morning or evening session, whichever is most convenient. RSVP is not required, so please join us and participate. We look forward to your attendance on August 31.
